

Asia Care Foundation

Newsletter December 2015

Dear everyone who is involved in the work of Asia Care Foundation,

On behalf of Bob and the board we wish you a nice Christmas and a good 2016. In this sixth newsletter we present an update about some of the projects of Asia Care Foundation.

Halfway house

A couple of the Karen tribe with children had bought some land and started building a house on it. The father of this family is deceased and the widow could not finish the house. With money from Asia Care Foundation this house will be finished.

This halfway house will be finished by support of Asia Care Foundation

New project: Another orphanage

Besides the orphanage in Bob's hometown, now there is also contact with an orphanage in Padeng. This orphanage has 23 children and is led by a young couple of the Karen tribe. This house was supported by a foreigner, but he is deceased and the house has absolutely no support there anymore.

The children of the orphanage in Padeng

They urgently need food. Bob has already brought rice, shrimp paste, oil and salt and will continue to do so monthly. Through the church where he goes, the Power of Love Church, he received second-hand clothes and toys for these orphans, which he already delivered. Bob is looking for what the foundation can do besides for this group of children.

This year Asia Care Foundation donated at the orphanage in Bob's home town a fridge / freezer, full size washer and many kitchen attributes.

Roof

The goat farm which was started with money from Asia Care Foundation needs a roof. This is to prevent the goats for getting sick by the passing birds with their droppings. Asia Care Foundation will assume the costs herefore and for the motorcyle with a sidecar that is needed to get food for the goats.

This goat farm will be covered

Bob in the Netherlands

From the fourth week of August 2016 to the second week of October 2016 Bob is in the Netherlands for seven weeks. When dates and places about presentations of Bob about his work become available, these will be shown on the website under the heading "News".

If you wish to organize a meeting for this: Bob likes to give presentations this period, either briefly during a service or an evening-filling presentation. Contact bob@asiacarefoundation.org to make an appointment with him.

Long-distance travels

In late November, Bob went along with a trip with the Rescue Phetkasem Foundation. They've been with a few cars in 4.5 days (2280km) to the province of Tak. Bob has brought there two thousand kilos of rice, but also different types of soft drinks, candy, disposable cups etc. Most likely he will participate again in January 2016 with a convoy of fifteen to twenty cars.

These rice, lemonade and sweets have been brought in Tak by Bob
